On Sunday 10 January 2016 at 1330 hours while assigned to the Criminal Investigations Division as Unit 759, I assisted with a shots fired investigation that occurred on the 200 block of Hudson Street.

Victim [REDACTED] was transported to the Criminal Investigations Office and it was requested of me to interview him in regards to the incident. During the course of said interview [REDACTED] relayed that he has an ongoing dispute with an individual by the name of [REDACTED]. [REDACTED] advised that on 22 December 2015 he posted on Facebook that he was in a relationship with [REDACTED] a comment [REDACTED] was said to have taken offense to. Per [REDACTED] commented to the aforementioned post stating something to the effect of "[REDACTED] isn't gay, he's dating [REDACTED]". [REDACTED] relayed that he replied to [REDACTED] comment confirming that he was in fact dating [REDACTED] and in turn [REDACTED] again replied calling him a "fagot" and attaching a gun emoji to the post.

[REDACTED] advised that since 22 December 2015 [REDACTED] has continued to harass him via social media by calling him a "fagot" and asking him to fight. [REDACTED] stated that today's date, 1255 hours, he went to the J&B Market located at 409 Bellevue Avenue and upon exiting his vehicle observed [REDACTED] and [REDACTED] walking through the vacant lot just East of the store. [REDACTED] relayed that he called out to [REDACTED] as he wanted to confront him about the ongoing harassment and in turn [REDACTED] again called him a "fagot" and wanted to fight. [REDACTED] stated that he then took his jacket off to fight [REDACTED] and as he did so [REDACTED] handed [REDACTED] gray in color handgun. [REDACTED] advised that he was afraid for his life and began to walk away when he heard [REDACTED] say "I'm about to air this fagot out". [REDACTED] relayed that after hearing the comment he turned around to look at [REDACTED] who at the time was aiming the gun at him. [REDACTED] stated that he started to run towards his vehicle and as he was doing so [REDACTED] fired the gun. Though the area was searched, a scene was never located. The direction the weapon was fired is unknown and neither the casing or projectile were ever found. See reports by Officer Beauchine in regards to the incident.

[REDACTED] advised that he was very familiar with both [REDACTED] and [REDACTED] stating they are both 110 gang members then produced their photographs via Facebook. [REDACTED] was however presented with photo arrays, which included photographs of both [REDACTED] and [REDACTED] and was successful with the identifications. [REDACTED] signed his name and wrote the date and time of the identifications across their photographs. Said arrays were both later turned in to the Property Division as evidence. See the affidavit I secured from [REDACTED] for further information.

On 20 January 2016 a bulletin was disseminated County wide advising that [REDACTED] was wanted in regards to the incident. # CENTRAL RECORDS STATEMENT

STATE OF NEW YORK  
COUNTY OF ONONDAGA  
CITY OF SYRACUSE

DR# [REDACTED]

I, [REDACTED], being duly sworn, state I am 17 years of age [REDACTED] (D.O.B.)  
and my address is [REDACTED] My occupation is [REDACTED]  
and I have completed [REDACTED] years of school. I can be reached at the following phone numbers, [REDACTED]  
home and ( ) - [REDACTED] work.

Today is Sunday the 10th of January 2016, I am giving this statement to Detective Lamberton in the Criminal Investigations Office located at 511 South State Street.

In December of 2015 I posted a status on Facebook that I was dating a boy by the name of [REDACTED] A guy I know by the [REDACTED] who I'm friends with on Facebook, made a comment to my status saying "he belongs to her not you". What [REDACTED] was saying was that [REDACTED] was dating a girl by the name of [REDACTED] that [REDACTED] isn't gay and that [REDACTED] doesn't belong to me. I responded to [REDACTED] asking him what he was talking about because I was dating [REDACTED] then called me a fagot and attached a gun emoji to the post.

This status was actually posted to Facebook on the 22 of December of 2015 and since that time [REDACTED] has continued to harass me by calling me a fagot and asking me to fight him. This afternoon around 12:45 PM I left my house on [REDACTED] to go to visit a family member on [REDACTED] I decided to stop by the store on Bellevue and Rich Street and after parking and getting out of my vehicle I saw [REDACTED] and [REDACTED] walking through the cut which leads from Bellevue Avenue to Hudson Street. I called out to [REDACTED] asking him what was going on with our situation. I'm not afraid of [REDACTED] and am actually getting sick of his harassing messages but really all I wanted to do was squash our problem. [REDACTED] immediately called me a fagot and wanted to fight. I then took my jacket off and as I was doing so [REDACTED] handed [REDACTED] a gray in color pistol. I was very much afraid for my life and wanted nothing more than to get away from [REDACTED] I then started to walk back towards my vehicle and as I did so I heard [REDACTED] say "I'm abouts to air this fagot out". I looked back and at that time [REDACTED] pointed the gun at me and I began to run. [REDACTED] fired the gun at me one time but luckily he missed. I got back to my vehicle, drove away and within a couple of minutes flagged down a Police Officer to report this incident.

I've known [REDACTED] and [REDACTED] for at least 2 years, they are both 110 gang members. Detective Lamberton requested of me to look at a couple of photo arrays and upon looking at the first array I immediately identified the individual positioned in photograph number 3 as [REDACTED] the person who shot at me. I signed my name and wrote the date and time of the identification across his photograph. Upon looking at the second array I immediately identified the individual positioned in photograph number 4 as [REDACTED] the person who gave [REDACTED] gun. I signed my name and wrote the date and time of the identification across his photograph.

I do desire prosecution of [REDACTED] for shooting at me, this statement is the truth.

I have read this statement (had this statement read to me) which consist 1 page(s) and the facts contained therein are true and correct to the best of my knowledge.
